Galerie

- A photograph of a large, white, rectangular block, possibly made of concrete or stone, resting on a dark wooden floor. The block is illuminated from above by a projector, casting colorful, abstract light patterns onto its surface. The background is dark and out of focus.
- A photograph of a long, low, white rectangular block, possibly made of concrete or stone, resting on a dark wooden floor. It has a simple rectangular top and a central support leg. The background shows some furniture and a window.
- A photograph of a small, low, white rectangular block, possibly made of concrete or stone, resting on a dark wooden floor. It has a simple rectangular top and a central support leg. The background shows some furniture and a window.
